

## The Right Worshipful Provincial Grand Master Visits Orsett Masonic Centre

On the 20<sup>th</sup> May 2009 the R.W.P.G.M. John Michael Webb visited the Orsett Masonic Centre and unveiled a plaque commemorating his visit to acknowledge the completion of the refurbishment works undertaken.

He was escorted by Worshipful Brother Charles Ager ( Company Secretary ) on a short tour of the centre, and then joined thereafter by the Heads of other Orders, Fifteen Directors and Fifty Brethren who meet at the centre representing Sixteen Craft Lodges, Three Chapters, and Thirteen Additional Orders, to hear a short talk on the history of the centre , given by Worshipful Brother Jeffrey Conway ( Company Chairman ).

The Brethren then dined on a buffet lunch, excellently prepared by the resident caterer Amanda Milligan and the staff of Craft Catering.

The Board of Directors and the Brethren who meet at the Orsett Centre are very grateful to the R.W.P.G.M. for finding time in his busy schedule to visit the centre , and this will remain in the history of the centre as an important event.
